Welcome to Blacktail Mountain Books

At the same location since 1979.

HOURS: Usually 10:00 - 5:30, Monday through Saturday
*(Sundays & other hours by appointment
(406) 257-5573)*

Inventory: We have approximately 50,000 books in stock. They are arranged by category, and most of the fiction is alphabetized by author. The map on the back of this brochure shows the locations of the various genre. If you do not see what you want, please ask.

Prices: The chart on the back of this brochure gives the paperback prices. They are roughly 50% of the original U.S. cover price. This does NOT apply to older/rarer paperbacks. The minimum price for a paperback is \$1.00 Hardcover books are usually \$10.00. All prices are subject to change without notice. We do not use price stickers now, and do not honor those from other stores.

Trading: Yes, we do trade books. Our policy is usually "two-for-one". We give you half of our selling price as a trade credit. We give approximately 25% of the original U.S. cover price of the mass market paperbacks you bring in as a trade credit, if they are in good condition. The exceptions to this are usually collectibles, older romances, overstocked books, ex-library books or books in substandard condition.

There is no fixed relationship between original price and the trade credit we give on hardcovers or Trade paperbacks. Many books that were very expensive when new are worth little used, & others that sold for little are now valuable. We **do not** convert trade credit to cash, and are not purchasing books except titles that our stock is low on.

We do not charge an extra fee for trading.

Credit: We maintain a credit file. The credit for the books you bring in is entered into our file and may be used by you or anyone you designate. You do not have to do your trading at the time you bring your books in but may do so at any time within one year.

Credit records that are unused for one year are deleted, unless prior arrangements are made.

Restrictions: We have a "Like for Like" policy on trading. In general you may take out only the same genre of books that you bring in (if you bring in romances, you **HAVE** to take out romances, etc). You may not trade paperbacks for hardcovers or fiction for nonfiction. Books priced over \$10.00 may only be traded for by special arrangement.

We are no longer accepting ex-library books!

Audio Books: Almost all the audio books are now \$5.00.

Returns: Unless otherwise arranged, we do not give cash refunds on returned items, only credit.

Maps, comics and magazines: We carry a few. Please ask about their location and availability.

Search & appraisal service: We do while-you-wait book searches & appraisals. There is a \$1.00/book charge.

Comments & suggestions are always welcome: Feel free to criticize or praise as you see fit!

Photography is allowed in the store!

**We will special order both new and used books.
Payment in advance is required and there are no refunds.**

Rule of Thumb: You should give a book 50 pages, and if you don't like it, don't bother to read it. If you're over 50, subtract your age from 100 and read that number of pages.
